All game rules follow latest FINA rules available on [http://www.fina.org/sites/default/files/2017\\_2021\\_wp\\_rules\\_16032018\\_colour.pdf](http://www.fina.org/sites/default/files/2017_2021_wp_rules_16032018_colour.pdf)

In order to provide to you the best tournament possible, and insure your security, safety, and of course fun & performance - some adjustments are done, and are recap below:

The tournament is composed of 2 divisions:

- Competitive where 15 teams will compete in the Georges Valley pool

- Recreational where 18 teams will compete in Roger Le Gall pool (except for the finale)

**All players must be currently registered in accordance with the rules governing masters' Water Polo in their country.**

**A team may list 7-20 players plus up to 2 coaches on its roster.**

**If a team declares a forfeit or is disqualified for one match, the match shall be awarded to the opponent with a goal score 5**

The duration of the game shall be four periods each of six minutes of actual play.

Time shall commence at the start of each period when a player touches the ball. At all signals for stoppages, the recording watch shall be stopped until the ball is put back into play by the ball leaving the hand of the player taking the appropriate throw or when the ball is touched by a player following a neutral throw. There shall be a intervals between period: 2-5-2.

The teams, including the players, coaches and officials, shall change ends before starting the third period and the second period of any extra time. **Each Team will play a minimum of five games. No team shall be required to play more than two games in one day.**

**Yellow card** - given to a team or the pool (both teams) A warning that physicality is becoming excessive or signs of disrespect to other players/referee, After a yellow card is given, the next occurrence will result in a red card.

**Red card** (misconduct/major) - given to a specific player or coach. Occurs after a second occurrence of any of the causes for a yellow card. Results in a exclusion and the player unable to reenter for the remainder of the game (also called «rolled» given the gesture used by the referee).

**Red card** (brutality) - given to a specific player or coach. Occurs when a player intends to cause serious physical harm to another player (punch in face, excessive head butt). Can also be given for any use of racial/homophobic slur. Results in an exclusion for 4 min of game time, the player unable to reenter the game and a suspension for the next game (indicated by the ref with clenched fists crossed at the wrist).

### THE 1<sup>ST</sup> PHASE OF THE TOURNAMENT IS COMPOSED BY 4 POOL BRACKETS OF 4 TEAMS, CALLED GROUP 1, GROUP 2, GROUP 3 & GROUP 4.

In each group, the 4 teams will compete against each other teams of the group. There are points attributed for each game:  
Win: 3pts / Loose:0pts / Draw: 1pts

Ranking is based on the number of points, ponderated with number of goals (G+ & G-).
